**VOLUNTEERS NEEDED**

Thank you so much for all of your cards, prayers, support, and encouragement following my father's death. It is truly a beautiful experience to be carried by your church family through the most challenging seasons of life.

Pastor Jeff & Family

## The Amazing Chemistry Show

We are so excited to get our summer program going. We have invited Josh Denhart back with his Amazing Chemistry Show on July 8th to kick off our summer. As part of this experience we will be hosting a hands on family activity before the show. We are in need of LOTS of volunteers for the hands on part of the evening. You can scan the QR Code marked SCAN ME to sign up or call the church office. The set up team would need to be available by 3:00 pm. We need 20+ people to run the stations available at 4:30 pm so Josh can give instruction. The hands-on family activities are from 5:00-7:00 pm. At 7:00 pm everyone will head upstairs to watch the Amazing Chemistry Show. We will need some help cleaning up afterwards. If you have not seen the show it is a must see! He is entertaining for ALL ages young and old alike. This is a FREE family event for everyone in our community so please share about this event and invite anyone and everyone to come and have fun!

## Camp E

The sign up sheet to attend Camp E can be found by scanning the QR Code on the front cover of the newsletter or going to the church website, [fumc-mtown.org](http://fumc-mtown.org). We will have two weeks of programming this year. Week one will be Elements of Trust (Science and Stem) July 11-15th and week two will be Making Waves in the Kitchen (Cooking) July 18-22nd. Tell your family and friends to be sure to get signed up early due to limited class size. It is sure to be a fun and educational experience for all involved.

The graphic features a central illustration of chemistry glassware and equipment. To the left, the text "FREE EVENT FOR THE WHOLE FAMILY" is written in bold, black, sans-serif font. To the right, a green hatched box contains the text "An interactive & educational show about SCIENCE and THE LOVE OF CHRIST". Below the illustration, the words "S H O W" are spaced out. At the bottom, a dark red cloud-like shape contains the event details: "Friday July 8th", "Hands-on Family Activities 5-7PM", and "Followed by Chemistry Show @ 7PM". At the very bottom, in a smaller font, is the address "First United Methodist Church 202 W Main".
